105040	<p>DO: IP Full System Demo/Simulation</p>  <p>Lesson/Topic Lesson 1, Topic 1: Adjusting Percent Full</p> <p>Instructional Event Information presentation</p> <p>Description Interactive system demonstration with or without voiceover audio</p>	<p>Narrator: The Outbound Percent Full for store 505 is now 100 percent. However, the change will not be final until it has been submitted. You'll learn about sending orders to TMS in another topic. You may have noticed the Adjust Percent Full slider above the table. You can use this slider to change the percent full for all stores at once. Just drag the arrow right or left to adjust all numbers up or down in increments of 10.</p> <p>It's recommended that, if necessary, you adjust all stores using the slider first before adjusting individual stores.</p>	<p>Adjusting Percent Full</p>
